

Korisnička dokumentacija za dodavanje knjige na listu

Korisnička kontrola za dodavanje videigri na listu sastoji se od textbox-a za pretraživanje knjige (broj 1), gumba select (broj 2), gumba Add manually (broj 3), gumba Cancel (broj 4) i prikaza dobivene liste nakon pretraženih filmova (broj 5).

U nastavku broj koji se nalazi u vitičastim zagradama označava broj na slici.

The screenshot shows a web application titled 'StoryWatch'. At the top, there is a search bar containing the text 'Half-Life 2' (labeled 1). To the right of the search bar are two buttons: 'Select' (labeled 2) and 'Add manually' (labeled 3). Further right is a 'Cancel' button (labeled 4). Below these elements is a table with two columns: 'Name' and 'Description'. The table contains several entries, including 'Half-Life 2', 'Selected Ambient Works Volume II for Half-Life 2', 'Half-Life 2: MMod', 'Half-Life 2: VR Mod', 'Half-Life 2: Update', 'Half-Life 2 Classic', 'Half-Life 2: DownFall', 'Half-Life 2 Mirrored', 'Half-Life 2: Lost Coast', and 'Half-Life 2: Deeper Down'. The table is labeled with the number 5.

Name	Description
Half-Life 2	1998. HALF-LIFE sends a shock through the game industry with its combination of pounding action and continuous, immersive storytelling. NOW. By taking the suspense, challenge and visceral charge of the original, and adding startling new realism and responsiveness, Half-Life 2 opens the door to a world where the player's presence affects everything around them, from the physical environment to the behaviors even the emotions of both friends and enemies.
Selected Ambient Works Volume II for Half-Life 2	This is an "ambient mod" that combines the sounds of Aphex Twin's 1994 album Selected Ambient Works Volume II with environments from Valve's Half-Life 2 games.
Half-Life 2: MMod	The goal of Half-Life 2 : MMod is to enhance and expand gunplay, combat mechanics and the immersion factor by giving the Player more options and combat opportunities as well as refine how the Player handles his arsenal. Half-Life 2 : MMod also offers minor AI enhancements, extended abilities for combine soldiers, multiple bug fixes, enhanced visuals, VFX re-design, sound redesign and much much more, while keeping nearly every new feature in the mod totally optional.
Half-Life 2: VR Mod	Half Life 2: VR Mod is a fan-made project, which adds full Virtual Reality support to the original 2004 PC gaming classic by Valve Software. It is a standalone title available to owners of Half-Life 2.
Half-Life 2: Update	A completely free and extensive community-developed update for Half-Life 2 featuring beautiful lighting, countless bug fixes, and a brand new Community Commentary Mode. With Half-Life 2: Update, there's never been a better time to revisit City 17.
Half-Life 2 Classic	Half-Life 2 Classic is a Half-Life 1 mod that aims to recreate the entirety of Half-Life 2.
Half-Life 2: DownFall	DownFall is a Half-Life 2 single-player mod taking place in the White Forest surroundings. You're once more putting on the HEV suit as Gordon Freeman. Your mission is to recover a newly developed technology by the resistance, known as the "citadel buster", before the Combine manage to destroy it.
Half-Life 2 Mirrored	Half Life 2 but flipped!
Half-Life 2: Lost Coast	Originally planned as a section of the Highway 17 chapter of Half-Life 2, Lost Coast is a playable technology showcase that introduces High Dynamic Range lighting to the Source engine.
Half-Life 2: Deeper Down	In 2013's Half Life 2 mod Deep Down, Jim Partridge took several key aspects from Episode Two, Alyx and the car, and expanded on these in an attempt to re-create that amazing Half-Life 2 feeling that everyone is looking for. Now, with seven additional years worth of level and environment design experience, Jim has taken another swing at the concept. With thirteen almost entirely new maps, new environments, new gameplay concepts, new puzzles, custom models (care of Ed Vincent), and original music (from Anicator), Deeper Down asks you to hit the road one last time and take down the one enemy who's always been watching.
