Name	Description
Half-Life 2	1998. HALF-LIFE sends a shock through the game industry with its combination of pounding action and continuous, immersive storytelling. NOW. By taking the suspense, challenge and visceral charge of the original, and adding startling new realism and responsiveness, Half-Life 2 opens the door to a world where the player's presence affects everything around them, from the physical environment to the behaviors even the emotions of both friends and enemies.
The Last of Us	A third person shooter/stealth/survival hybrid, in which twenty years after the outbreak of a parasitic fungus which takes over the neural functions of humans, Joel, a Texan with a tragic familial past, finds himself responsible with smuggling a fourteen year old girl named Ellie to a militia group called the Fireflies, while avoiding strict and deadly authorities, infected fungal hosts and other violent survivors.
Beyond: Two Souls	A unique psychological action thriller delivered by A-list Hollywood performances by Elliot Page and Willem Dafoe, Beyond: Two Souls takes you on a thrilling journey across the globe as you play out the remarkable life of Jodie Holmes.
Rust	The only aim in Rust is to survive. Everything wants you to die - the island's wildlife and other inhabitants, the environment, other survivors. Do whatever it takes to last another night.
How to Survive 2	Dead or Alive? Make up your mind, stranger. We don't like that undead business here in Louisiana... Survive solo or with friends as you look to fulfill your basic needs of food, water and shelter, crafting your own tools and weapons while you secure your camp and face flesh hungry zombies.
Watch Dogs 2	Explore a massive and dynamic open world offering an incredible variety of gameplay possibilities. Hack your way through traffic while you engage in dangerous car chases through the winding streets of San Francisco, traverse the rooftops of the colorful and vibrant neighborhoods of Oakland, and infiltrate the cutting-edge offices of Silicon Valley companies. There are many secrets to uncover in the birthplace of the tech revolution.
Days Gone	Days Gone is an open-world action-adventure game set in a harsh wilderness two years after a devastating global pandemic. Play as Deacon St. John, a Drifter and bounty hunter who rides the broken road, fighting to survive while searching for a reason to live. At its core, Days Gone is about survivors and what makes them human: desperation, loss, madness, betrayal, friendship, brotherhood, regret, love – and hope. It's about how even when confronted with such enormous tragedy they find a reason to live. Hope never dies.
Last Day on Earth: Survival	Last Day on Earth is a free multiplayer zombie survival strategy game, where all survivors are driven by one target: stay alive and survive as long as you can and shoot walking dead zombies. There is no place left for friendship, love and compassion. A deadly plague pandemic has turned the world into a dead zone. You can trust only yourself in this post apocalyptic world infected with walking dead zombies.
The Walking Dead: The Final Season	After years on the road facing threats both living and dead, a secluded school might finally be Clementine and AJ's chance for a home. But protecting it will mean sacrifice. In this gripping, emotional final season, your choices define your relationships, shape your world, and determine how Clementine's story ends.
Dying Light 2: Stay Human	The last great human settlement exists within an unforgiving, infected world. Exceptional agility and combat skills make you a powerful ally and a valuable commodity. With your unique abilities you have the power to be an agent of change within this decaying metropolis. Use it wisely.
